Scherzo 2014

For the 6th consecutive year, we are proud to present a new edition of Scherzo that comes with exciting activities and an outstanding faculty from Iceland, Spain, the USA, and the UK. Sessions will include group lessons, orchestra and children's concert. Private lessons will be offered upon request (£40/ hour. Proportional rates will apply for 30' and 45').

In addition to our local teachers, we will be able to enjoy other internationally well-known teachers: Lilja Hjaltadottir (Suzuki teacher trainer from Iceland); Juan Carlos Navarro (vice-president of the Spanish Suzuki Federation); Isabel Quirós (teacher at 'Conservatorio Superior de Zaragoza' and fully qualified Suzuki cello teacher); Lynne Denig and Nancy Kredel (former assistants of Paul Rolland in the 70's and co-directors of the Rolland training course in the USA). Rolland pedagogy is a set of tools to help teachers to create a good solid technical foundation in their students. Rolland's principles are applicable to any string method and they are valid both for individual and group tuition.
